Gave a Panda Room to Grow

By giving a panda room to grow, you are helping to link and grow isolated panda habitats with corridors of bamboo forest. Like a bridge connecting 2 islands, this will allow the remaining pandas to find more food, and meet other pandas...

Mr. James P Leape
Director General, WWF-International

WWF works to address global threats and protect endangered species and habitats in more than 100 countries around the world. WWF finds long term solutions to benefit people and nature.
